

**Information for Applicants to the Missouri Peace Officer Standards and Training  
(POST)  
Veteran Peace Officer Application for Military Police Credit**

This information sheet is designed to give you the information you need to apply for the Missouri POST, **License Application for Veterans Peace Officers**, please note this is an *individual* application process.

The web-link to the MO POST Site is here <http://dps.mo.gov/dir/programs/post/forms.php> to start your Veteran Peace Officer Application click on **Missouri Peace Officer License Application for Veteran Peace Officers** link and follow the application process to the letter. Required documents are located in your IPERMS, HRC, or state records depository. Insure your records are up to date and all data is in agreement between training certificates, ERB/ORB and DD214's. All portions of this process are the responsibility of the applicant. Missouri POST will review your application and make a determination on your eligibility. If you have questions about your transcripts or need copies of your USAMPS issued diplomas you may contact the Registrar's office here at USAMPS.

Currently there is no guidance from Department of the Army (DA) to Training and Doctrine Command (TRADOC) regarding the reimbursement of individual credentialing/licensing costs and at this time ALL COSTS will be borne by the individual seeking licensure. We do expect TRADOC credentialing guidance in the near future and will publish it when applicable.
